Bryan M. Lawrence Foundation Mission

The Bryan M. Lawrence Foundation was established in 2001 to assist families in Western New York who have children that suffer from cancer. We assist families with medical bills payments, and associated cost of cancer treatment. Our effort to assist families experiencing the destructive consequences of childhood cancer is driven from the spirit of Bryan M. Lawrence. One hundred percent of our referrals come from Essential Care of Buffalo, Children's Hospital, or Roswell Park Cancer Institute.

Your donations are Tax Deductible
